

# WELCOME TO VICTORY COLLEGE PREP

★ ★ ★ ★

## — PARENT TEACHER ORGANIZATION

We believe in the power of community and bringing our families together to help improve our school. Our Parent Teacher Organization meets once per month to plan events and opportunities to engage with our students. Interested in volunteering? Reach out to Brande Lewis (Brande.Lewis@vcpindy.org)

## — UNIFORMS

All VCP students are expected to wear a uniform consisting of khaki pants and a blue polo with our official school logo patch. Our provider, SchoolZone is always fully stocked and ready to serve our families. You can purchase both at their store (5425 N. Keystone, Indianapolis, IN 46220) or online (www.goschoolzone.com).

## — EARLY DISMISSAL

To ensure our teachers are constantly on the cutting edge of instruction, VCP dismisses early every Thursday at 1:30pm. Of course, our transportation services still run on these days, but our families are expected to arrange alternative accommodations for their students.

## — TRANSPORTATION

Victory College Prep partners with Miller Transportation to provide “satellite stops” to our students. A “satellite stop” means we offer various pickup locations across the city. While we attempt to offer a stop within 0.5 miles off all student home addresses, sometimes this is not possible. Looking to find a stop near you or have more questions? Talk to Betsy Scarpaci (Betsy.Scarpaci@vcpindy.org).

## — ATHLETICS

Victory College Prep is an IHSAA-affiliated school and offers athletic programming K-12. Some of our most popular sports include: basketball, volleyball, wrestling, and track/cross-country. For more information on our athletic opportunities, contact Lindsay Nelson (Lindsay.Nelson@vcpindy.org)

## — EXTRA CURRICULAR

VCP has a wide range of after-school extra-curricular activities offered twice per week (Tuesday and Wednesday) from 3:15-5:00pm. In addition to academic tutoring and support, we also offer: gaming club, student government, drumline, art and more. We also offer limited transportation for our after-school scholars. Looking to join? Contact Maegan Gaboury (Maegan.Gaboury@vcpindy.org) or Lorrie Lewellan (Lorrie.Lewellan@vcpindy.org) for more details.
