EXECUTIVE LEADER VIDEO ADDRESS

Dear VCP Families,

Thank you for your continued patience and support as the plans for reopening school have evolved and changed as a result of ongoing guidance from the Marion County Health Department and the Mayor's Office of Indianapolis. Today, we are announcing a final change to our first quarter (August 17th - October 9th) plans as health department guidance has restricted in-person learning for grades 6 - 12. For the first quarter of the year, Kinder through 5th grade students will have classes Monday through Thursday from 8:00am to 2:00pm. All 6th grade through 12th grade students will be online learners - with those opting into in-person learning having the opportunity to attend school one day per week to receive additional support on their online assignments. We understand this is difficult and will continue to monitor the health climate and county guidance closely to get students back to a full return to school as soon as we are able. See below for specific details:

The following outlines changes to our reopening plan as a result of new health guidance:

- Parent Orientation Meetings will be held on August 11th through August 13th from 4:30 - 6:30pm. At these meetings, parents will collect needed technology, review expectations for online and in-person learning, receive bus routes and student schedules:
 - Tuesday, August 11th - Last name begins with A through F
 - Wednesday, August 12th - Last name begins with G through M
 - Thursday, August 13th - Last name begins with N through Z
- At this time, our [school calendar](#) will remain unchanged for the year.
- **VCP is still asking all parents to [elect into one of two learning tracks](#) for the first quarter NO LATER THAN FRIDAY, AUGUST 7th:**
 - **In-Person Full Time Learning**
 - Kinder - 5th grade students will attend school Monday - Thursday
 - 6th - 12th grade students will be invited to come to school Learning Hub one day a week to receive support on their online learning assignments:
 - Mon: 6th
 - Tues: 11th-12th
 - Wed: 9th-10th
 - Thurs: 7th-8th
 - School day will be M, T, W, TH from 8:00am to 2:00pm
 - Students will be expected to follow all VCP safety guidelines
 - If a family chooses in-person, they can amend their selection to online at any time
 - **Online Full Time Learning**
 - Students will attend classes online and complete all assignments from home (with structure to be determined)
 - Parents can opt back in to "In-Person" learning at the end of the first quarter (October)
- Planning for this school year is evolving daily and we may need to make further changes to our school plan as the health climate in Indianapolis changes. Additional changes related to this situation will be made and communicated via our [school website](#), social media pages, our web app, and via phone/text.

While we know this school year will be a very different one for our students and our staff, we remain committed to making it a special one for everyone in our school community and we intend to offer a comprehensive online and in-person experience.

Please complete our "[Learning Track Selection](#)" form to decide the learning experience you want for your student for the first quarter - In-Person or Online. This form is critical for serving your child this year and will only take you a few minutes to complete.

Please contact your school leader with questions or concerns.

Thank you,

Ryan Gall
