2022-2023

ACADEMIC YEAR

ONGOING PREVENTION

Victory College (VCP) will provide no-touch hand sanitizer dispensers, Kleenex, surface disinfectant, and masks in all bathrooms, classrooms, and frequently trafficked areas.

All areas will provide modifications as appropriate to allow for physical distancing as mandated by state and local agencies.

VCP will teach and reinforce good hygiene measures in all classroom, including:

- Handwashing
- Covering coughs
- Face coverings/masks

VCP will post signage to communicate how to stop the spread of disease. They messages include:

- Common COVID-19 symptoms
- Preventative measures to take when sick
- Practicing good hygiene
- Proper mask wearing

VCP will clean and disinfect all frequently touched surfaces throughout the day and all shared objects after every use.

VCP will turn off all drinking fountain stations except for a designated bottle fill station for non-disposable/personal bottles.

- Individual, disposable bottles, will be distributed to students by staff upon request

VCP will ensure all ventilation systems operate properly and increase circulation of outdoor air as much as possible assuming it does not pose a safety or health risk to students or staff.

VCP will ensure a deep cleaning of school is completed prior to student/staff return and schedule additional deep cleans after Fall, Winter, and Spring Breaks.

VCP will make appropriate accommodations for students with disabilities on an individualized basis with respect to health and safety policies.

MASK + VACCINATION MANDATES

Victory College Prep (VCP) will follow all state and county guidelines in regard to mask mandates.

Students and faculty are encouraged, but not required to be vaccinated. VCP will follow all state and county guidelines in regard to vaccination mandates.

VCP will work with the Marion County Public Health Department on vaccination options and information for all VCP community members.

2022-2023

ACADEMIC YEAR

ENTERING SCHOOL BLDG + VISITOR POLICY

Victory College Prep (VCP) will require all visitors and guests to be masked upon entry to the building.

All visitors must sign in through the main office to maintain an accurate log and will be escorted by a staff member.

- Guests and visitors will be limited when students are present and may be screened prior to interactions with students or staff.

VCP will provide hand sanitizer for all students, staff, and guests upon entry and signage will be posted at all entrances communicated how to stop the spread of disease and school-specific protocols for ease of reference.

Standard COVID-19 protocol will be followed for anyone experiencing COVID-like symptoms upon arrival or throughout the school.

- BinaxNow screenings will be administered as requested to students and staff who have symptoms similar to that of COVID-19.

STUDENT TRANSPORTATION

Victory College Prep (VCP) will continue to operate its standard fleet of transportation services in partnership with Miller Transportation to all students, grades K-12.

All students and bus drivers will be required to wear face masks in alignment with current federal transportation mandates.

VCP/Miller Transportation will keep accurate record of daily ridership to ensure contact-tracing is made possible if needed. No guest riders will be approved without written and advance notice.

VCP/Miller Transportation will inspect buses prior as part of a regular maintenance rotation.

VCP/Miller Transportation will ensure daily disinfectant and sanitization of frequently touched surfaces of the buses.

VCP will scrutinize field trips and other off-site education experiences to determine the education gain versus risk:

- Alternative learning options will always be made available to students and families if they do not feel comfortable attending.

2022-2023
ACADEMIC YEAR

MEAL SERVICE

Victory College Prep (VCP) will continue to offer meal service to all students, grades K-12.

- VCP will offer breakfast, lunch, and an after-school snack at designated times in alignment with IDOE nutrition guidelines and practices.
- All meals will be individually served.

VCP will implement safety measures during food service times by:

- Encouraging students to sanitize their hands before and after meal service.
- Conducting cleaning of cafeteria and high-touch surfaces throughout the school day and after every lunch period.
- Provide staff supervision for the entire duration of student transition to and from the cafeteria to minimize opportunity for students to congregate in the hallways.
