@victorycollegeprep

**VCP Elementary School** serves students in Kindergarten through Grade 4.

The school emphasizes academic and social-emotional learning with an emphasis on all students achieving grade-level reading proficiency before middle school.

- **1:1 classroom tech**-to-student ratio
- **guided reading classes** to boost literacy attainment
- **special area classes** for physical education, art, music
- **monthly town halls** to celebrate school values
- **quarterly family events** for parents and guardians
- **competitive sports** - basketball, soccer, track, + more
- **enrichment activities** - pep rallies, town halls, field trips

VCP IS THE HOME OF  
FIREHAWKS ATHLETICS

**SCHOOL TRANSPORTATION**

VCP runs **more than 20 bus routes** throughout Indianapolis with more than 150 available stops, many located in the communities of Southeast Indy.

**AFTER SCHOOL PROGRAMS**

VCP offers after school programs on select days during the week, including **traditional clubs** and **high-dosage tutoring** support.

**CO-TEACHING MODEL**

Two educators in every English and math classroom

**RESTORATIVE DISCIPLINE**

Meaningful accountability as opposed to punitive action

VCP Elementary School is part of the Victory College Prep School Network.

The elementary school serves students from the network’s Sloan Avenue Campus, featuring a state-of-the-art gymnasium, playground, and community garden.

**ONE NETWORK. BETTER OUTCOMES.**

**GRADUATION IS NOT THE FINISH LINE - IT'S THE STARTING LINE.**

## **The Foundation For College-And-Career Readiness**

**VCP Elementary School** supports whole child development with academic and social-emotional learning so students are reading at grade level and achieving other vital milestones essential to future college and career success.

Our programs include 180 minutes of daily reading, STEAM classes, and a community garden with an active chicken coop.

### **180 MINUTES OF READING**

Students complete three hours of daily reading with homeroom teachers, guided reading teachers, and tutoring platforms.

### **STEAM CLASSES**

From robotics parts to paint brushes, students learn science, technology, engineering, art, and math.

### **COMMUNITY GARDEN**

Students access fresh vegetables and fruit in a space shared with 12 chickens.
