**ONE NETWORK. BETTER OUTCOMES.**

**GRADUATION IS NOT THE FINISH LINE - IT'S THE STARTING LINE.**

## Stepping Up To College-And-Career Readiness

**VCP Middle School** supports whole child development with academic and social-emotional learning so students can be better prepared to step into high school and take full advantage of college-and-career readiness (CCR) initiatives.

These programs include daily advisory coursework, semi-annual VCP Exhibitions, and advancement placement classes that offer high school credit.

### DAILY ADVISORY COURSES

Students explore career pathways, engage with social-emotional learning, and practice interpersonal skills for one class period every day.

### VCP EXHIBITIONS

Starting in Grade 7, students present publicly each semester to volunteer panelists to build professional skills.

### AP COURSES

Advanced placement courses allow students to earn high school credit early.
